# McIntosh Republican News
## December 2021

We hope everyone will be able to come to the Holiday Party on Thursday, December 9th, at the Sapelo Hammock Golf Club in Shellman Bluff, starting at 6:00. There will be no agenda other than fun and good conversation. Don't miss this great opportunity to meet and mingle with friends old and new. Please bring anyone else who might be interested in joining our group. Appetizers and a cash bar will provide refreshments. It looks like there will be plenty of food, but if you wish to bring an additional appetizer, please feel free to do so.

Next year's elections will be crucial to the future of Georgia and of the US. Our governor and other state officers will be on the ballot, as well as the Senate seat of Democrat Raphael Warnock. Republicans will need all hands on deck to make sure that our voters turn out and the election is run with integrity.

Early in-person voting for the Georgia primary elections begins on May 2, until the actual primary voting day on May 24.

After the holidays, our Republican Party will hit the ground running with training and information in several areas:

- How to be an effective participant in elections as a voter, poll watcher or poll official.
- How to best utilize the precinct system of party organization.
- How to recognize and combat election misconduct.
- How to spot and react to Critical Race Theory elements in schools and businesses.

We are working to bring Senatorial candidate Herschel Walker to McIntosh after the first of the year for a meet and greet. Our chances, even as a small county, are looking good.

Are you a "Republican voter" or a real "Republican", involved and active? No one in Georgia is a registered Republican because Georgia does not permit registration by party. Membership in your county party gives you the only Republican status that is recognized at the local, state and national levels. It is your ticket to participating in the process. Please encourage everyone to become a member of their local Republican Party.
